How do you feel about the tasks you are assigned, and how do you see them evolving over time?

Tasks

How do you feel about the tasks you are assigned, and how do you see them evolving over time?

Tasks

Is there a need to adjust your tasks or the way they are carried out?

Tasks

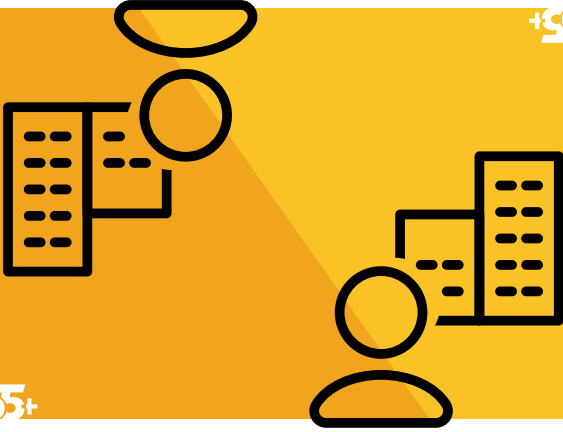

Tasks

Is there a need to adjust your tasks or the way they are carried out?

## Tasks

How do you perceive your role in the workplace? Is there anything you would like to see change in the coming years?
