Relationships

Do you notice any differences in the way you interact with your colleagues now compared to earlier in your career?

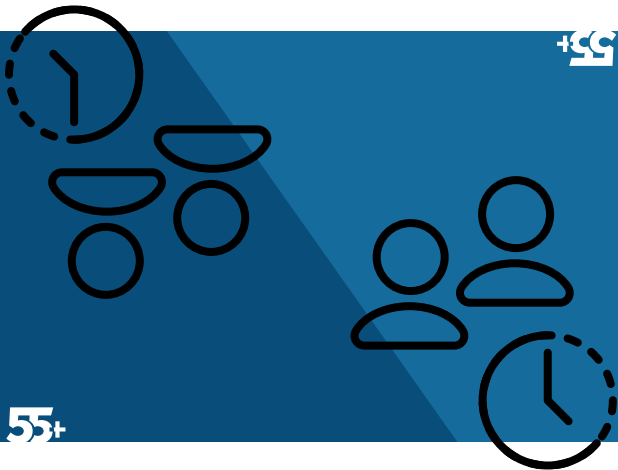

Relationships

Do you notice any differences in the way you interact with your colleagues now compared to earlier in your career?

Relationships

How do you feel about your relationships with colleagues, including across generations?

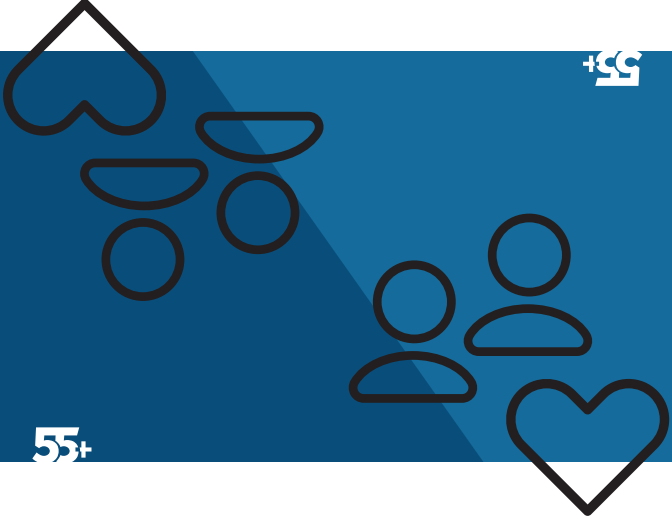

Relationships

How do you feel about your relationships with colleagues, including across generations?

Relationships

What do you think is essential for fostering good relationships at work (e.g. initiatives among colleagues, leaders, and across generations)?
